# Arc Flash Labeling

# DuraLabel<sup>®</sup> 7000

The Industrial Sign & Label Printer

## Get Your Signs & Labels Noticed!

### See the Arc Flash Warning or Danger before it's too late!

Large format Arc Flash die-cut signs and labels are available in three sizes and in two headers (orange "Warning" and red "Danger"). Die-cut signs and labels are in compliance with CSA Z462 and NFPA 70E standards. They are resistant to chemicals, water and UV-light to resist fading.

Print quality labels and signs when you need them! Whether you need large signs to be seen from a distance or small labels with detailed information, the DuraLabel line of printers will do it all!

Extra Large  
7" x 10.5" Label
