DuraLabel 2000 PLUS

Handheld Label Printer – Print 1/2", 1" and 2" Custom Labels

Make Labels Where You Need Them!

The DuraLabel 2000 PLUS Handheld Label Printer

not only saves you time and money, it greatly increases efficiency at your facility. Because of its small, lightweight design, the DuraLabel 2000 PLUS goes with you wherever labels are needed at your work site and in the field.

The DuraLabel 2000 PLUS improves facility safety by quickly printing OSHA-compliant labels that identify hazards and equipment, list maintenance and safety procedures, provide directions, etc. It is designed to handle a wide variety of industrial label applications. Durable vinyl tapes and ribbons are easy to load and engineered to withstand harsh environments, so your label applications last for years.

Additional Printer Features:

- Lightweight for ultimate portability (2.7 lbs.)
- Auto-detects loaded supply type and size
- Text/image auto-size or manual size design options
- Print preview to verify label layout and appearance
- Micro SD slot for expandable memory
- Fast label printing
- Save up to 32 label designs for future print jobs
- Requires zero cool-down time – print labels nonstop without overheating
