Fast, Simple Creation of Professional Labels & Signs

DuraLabel[®] LabPRO

Medical Label & Sign Printer

Increase safety and efficiency with signs and labels that identify medical equipment, explain proper maintenance and equipment operation procedures, and provide directions. With an in-house printer you'll be able to print labels on-demand to clearly mark hazards, pipes and containers. The DuraLabel[®] LabPRO will handle most labeling jobs from safety signs to laboratory labels.

By creating your own signs and labels you reduce the cost and time associated with an outside service. You have direct control over when labels and signs are made, and have the ability to modify them at any time as needed.

Medical Label Applications:

- Medical Pipe Markers
- Compressed Gas Cylinders
- Valve Tags
- Vessels
- Tanks
- Syringe Labels
- Surgery Room Labels
- Hazardous Waste Labels
- Medical Devices/Equipment
- Chemical Container Labels
- Non-Hazardous Waste Labels
- Inspection Labels
- Radiation Labels
- Biohazards
- Chemical Storage Areas
- Anesthesia Labels
- Formaldehyde Labels
- Fire Extinguishers
- "Sterile" Labels w/Lot Number
- Equipment Operating Labels
- Emergency Eyewash Stations
- Petri Dish Labels
- Calibration Data Labels
- Restricted Area Labels
- Wire/Cable Markers
- Aisle Markers & Arrows
- Wordless Placards
- Liquid Nitrogen Labels
- Safety Labels
- Static Sensitive Devices
- Wayfinding
